PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Jeraldine Anderson respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 247A at San Isidro, Texas.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 247A to San Isidro, Texas, as that community's first aural broadcast transmission service. San Isidro is a Census Designated Place (CDP) with a population of 160 people as of January 1, 1998 according to the Texas State Data Center. San Isidro has its own post office, its own school system, the San Isidro Independent Schools, its own volunteer fire department, its own city commissioner, Abel Gonzalez and a number of local churches.
